

# KIDS

## SICKNESS POLICY

Trinity Kids strives to create a safe and clean environment for your children to grow spiritually.

In order to support this environment please do not bring your children to church if they have experienced any of these symptoms within the past 24 hours:

**Fever (100 degrees orally, 99 degrees under the arm)**

\*Children must be fever-free for 24 hours WITHOUT medication

**Vomiting or diarrhea**

**Runny nose with green discharge**

**Questionable rash**

**Excessive coughing/Croup**

**Pinkeye**

**Any communicable disease**

If your child is being treated with antibiotics, he or she should be on the medication for at least 24 hours before coming to Trinity Kids.

If your child has a continually clear-runny nose or rash due to non-contagious allergies or teething please let his or her teacher know. We realize that some symptoms remain long after a child is no longer contagious.

As we know, the spreading of germs is unavoidable. Please use discretion if you have any concerns about your child's health.
