

WHAT IS THE GENERAL SCHEDULE OF THE WEEKEND?

- Saturday Morning: Session 1
- Saturday Afternoon: Free Time
- Saturday Late Afternoon: Session 2
- Saturday Evening: Free time
- Sunday morning: Session 3 & Departure

WHAT ARE THE SESSIONS LIKE?

Each session has a time of musical worship, teaching, and a time to connect with others in a smaller group called Connecting Groups.

WHAT IS A CONNECTING GROUP AND WHO IS IN IT?

Connecting Groups happen at each session. We organize the groups by geography (where you live), age, and stage of life (single, families, married couples, etc.). The groups are a time to have casual conversation that can serve as a springboard to deeper conversation throughout the retreat and beyond.

WHAT ARE THE SLEEPING ARRANGEMENTS?

Lodging is in very comfortable cabins – and each cabin has conditioned rooms, bunks and bathrooms with hot showers. Families with children can stay in rooms as a single family or share a room with another family. Everyone who attends the retreat without children will stay in cabins divided by gender.

WHAT CAN I DO DURING FREE TIME?

There is free time on Saturday afternoon and each night of the retreat. In the evenings, free time is a mixture of enjoying time hanging out and talking in the cabins, game room, or by the fire pits. Free time on Saturday afternoon offers a wide variety of activity: hikes, fishing, sports like basketball, ultimate, frisbee golf, whiffle ball, etc.), water activities like the rope swing & slide, or outdoor adventure such as the zip line, low ropes course, climbing wall, or Giant Swing). There's also a game room with Ping-Pong, air hockey, foosball, and shuffleboard.
